Good afternoon Adrian,

I apologize for not getting back earlier. I have been out ill for the past 2 weeks and just returned to work yesterday. My board members that were contacted are asking if you can be more specific with the email information you are requesting such as narrowing down the time span into a more workable search. One of the individuals you contacted is a new board member as of 2017 and such will not have any emails to provide you with.

Thank you.

Rafik

Good morning, Mr. Ghazarian.

I wonder if you've had time to come up with an estimate for when you'll be able to start letting me look at these emails?

Thanks for your help,

Adrian
